TEAM NAME : ROCK AND ROLL

PROJECT NAME : COME TO CONFESS

Theme : Education

IDEA OR PROBLEM STATEMENT :

- To solve the queries of people and we will make sure users identity is not revealed.

- The questions are revealed only to the specified community.

- Website leaves you with flying colours.

- Lets come together to build the answer of every question and lets bring out Einstein in us.

- Lets think and grow together and get your answers in no time.

- Lets collab recreate rethink reinforce reestablish…..

PROPOSED SOLUTION :

- A website ComeToConfess

- This website brings everyone together in order get an answer.

IMPLEMENTATION DETAILS WITH TECH STACK :

- HTML

- CSS

- Java script

- DBMS

- Embedded Java Script

WOW FACTOR :

- Anonymity.

- Restricted to particular group.

- Extends to all the colleges and universities as well.

FUTURE WORK :

- We will extend this to connect two or more colleges like MNNIT Allahabad and IIIT Allahabad questions which cannot be solved by a single group if all the group members accept.

- Eg: Community that solves queries related to coding and stuff, Community that solves queries related to clubs, start-up discussions, ideas etc,.
